Just Wee Two is a fun-filled program for young children ages 8 months to 3 1/2 years and their moms (dads, grandparents, etc.). Through activities such as music, arts and crafts, playtime, stories and snack, children are encouraged to explore, discover, interact and enjoy this special time in their lives. Celebrate summer with Just Wee Two's six-week parent/child programs and Just For Me classes. This is a fun way to have a "real cool summer."

The Just for Me class is designed for children ages 26 months and older. During each two-hour class, the children participate in age-appropriate activities in music, art and drama. Small classes enable the teacher and assistants to work with each child.

Partial Separation is designed for children 24 months and older. These parent-child classes focus on separation readiness skills. During each 1 1/2 hour class, grownups are still present while the teacher and an assistant conduct various activities with the children.

The ABC Class is a one-hour class that concentrates on reading readiness. Each week a different letter of the alphabet will be taught. Letter recognition and letter sounds will be emphasized.
