At ESF Summer Camps, everyone is free to explore their curiosity and power their potential. Through best-in-class curriculum, boys and girls, ages 3-15, ignite their interests and prepare for bright futures in any field — whether it's sports, science, technology, the arts or all of the above. Our experienced adult staff knows that the most important role we play in our campers' lives is to provide a safe place to build character, inspire gratitude and spark friendships. Our exciting line-up of programs for 2019 includes 60+ award-winning activities, uniquely designed to encourage exploration and personal growth. Cultivate your child's interests with a summer experience that speaks to them - "Love Your Summer."
