The ND Summer Experience is designed for boys entering the 6th, 7th, and 8th grades. The three-week program offers the best of academics and recreation and is focused on the three C's of 21st century learning - critical thinking, creativity, and collaboration. Daily recreational activities will include baseball, basketball, capture the flag, dodgeball, flag football, kickball, knockout, shooting contests, table tennis, ultimate frisbee, and more. Participants will explore six subjects in fun and exciting ways -- Esports (Apex Legends, Madden, FIFA, NBA 2K), standardized testing techniques, crime scene investigations, mindfulness, and leadership classes will keep campers engaged during the summer. Rotating recreation and academics, the boys will have fun and achieve. A variety of activities ensures all will experience challenge and success.
